

The Global Graduate Programme

...finding graduate talent, developing them to be future leaders

Graduates kick-start their career by joining the 3-year programme, which develops them through relevant on-the-job learning and a custom program to accelerate their leadership potential and give them a strong foundation for future global leadership roles at Coloplast.

- *Three-year programme*
- *Two positions in two countries*
- *On-the-job learning*
- *Customised development seminars*
- *Executive mentors*
- *Graduate network*

Who do we recruit?

Top Master's graduates worldwide who:

- Have a strong performance track record in terms of grades & experience
